Dan Osborne W. Tim Sharrock

Terry Sautter Geri Park

MORROW COUNTY BOARD OF ELECTIONS

POLL WORKER RECRUITMENT

BE A PART OF OUR TEAM

MORROW COUNTY BOARD OF ELECTIONS

The Morrow County Board of Elections employs over 200 Workers for each election. In addition to the regularly assigned workers, alternates are necessary to be on stand-by to replace ill or otherwise unavailable clerks to man the polls.

Under Ohio Election Laws, each polling place must have two workers from each party. The majority vote in each precinct in the last Gubernatorial election determines which party is the dominant party in each precinct. One poll worker affiliated with this dominant party has to be trained as the “Presiding Judge.” The remaining two poll workers in each precinct are entitled “Judge Clerks.” The Presiding Judge and presiding Asst., of opposite party, ride back together on election night to the Board Office on Election Night to return election materials.

POLL WORKER COMPENSATION

- **Presiding Judge—\$ 155.00**
 - **Presiding Asst. Judge —\$ 135.00**
 - **Other Specialized Training**
- Pay As Determined By the Board**

Poll Worker Duties

Each poll worker is required to attend a training session before they can be assigned to work the polls. Training sessions are scheduled at various times in the month preceding any election.

Compensation for this training class is included in your pay with initial poll assignment.

The Presiding Judge will make sure that the TSX machines are up and running for the first voter to enter the precinct. Poll workers must perform general clerical duties as assigned by the Presiding Judge. Each Poll Worker will have specific duties in their precincts.

At the close of polls, all workers are required to assist in the dismantling of the units and performing the steps necessary to close out the TSX machines.

Presiding Judges can pick up their precinct bags the night before the election. Election Day they will need to return memory cards and all equipment and supplies on Election Night.
